## Capabilities Statement

---

Graham Tree Service has been in business for over 44 years. We are one of the top three companies in the Bay area. We specialize in difficult tree removals and emergency tree work. Our team has many years of experience and training, which shows in their work. They take pride in doing an excellent job and practice safety at all times. Our safety record speaks for itself. We service San Francisco County, Contra Costa County, San Mateo County, Santa Clara County, and Alameda county.

Graham Tree Service specializes in difficult tree removals as well as emergency tree removals with the help of our cranes. We perform basic tree removals, trim, prune, reduce, thin trees. We view clearing and clearing areas and fields of weeds and debris. We grind stumps and haul away all job-related debris unless instructed to leave chips on site. We offer crane service of any type. We always get the job done efficiently and safe leaving our customers highly satisfied with excellent work.

## Differentiators

---

Graham Tree Service has many types of cranes to make any tree job whether it be difficult tree removal, a basic tree removal, or an emergency tree removal much more efficient, less time consuming and much safer than the conventional way of removing trees. Our crew along with our crane operator have many years of experience and certified training making them well qualified for any tree work needed. We have never missed a deadline and always either finish on time or early.
